5-Day High End Kenya safari

A 5 days safari visiting Hell's Gate, Lake Nakuru and Maasai Mara. Lake Nakuru: Enjoy the fabulous water birds and other bird species. The best place to view the birds is from Baboon Cliff, where you get an excellent view over the lake, and the wonderful spectacle of pink flamingos along its edge. Maasai Mara: The Masai Mara Game Reserve is one of the best places in Africa for wildlife viewing. Game drives are a great way to experience the park and they take place all year round.

Day 1

Nairobi/Hells Gate

Pick up from the airport and driving to Lake Naivasha with a stop by Hell's Gate. The park, which is mainly, comprised of savannah ecosystem harbors a wide variety of wildlife. There are over 100 species of birds in the park, including vultures, Verreaux's Eagles, augur buzzard, and swifts. African buffalo, zebra, eland, hartebeest, Thomson's gazelle, and baboons are also common. The park is also home to klipspringer antelope.

Dinner and overnight. Possibility to upgrade to more luxurious accommodation (at an extra cost) or downgrade to more economic options (price reduction).

Day 3

Lake Nakuru/Masai Mara

An early morning drive to Masai Mara National Reserve, it holds on as one of the few places left on earth where wildlife still lives comparatively undisturbed, in the numbers that once roamed the plains and forests of Africa. As the northern tip of the vast Serengeti ecosystem, the Mara hosts the spectacular seasonal migration of many thousands of Wildebeest, Zebras and attendant predators. Arrive in time for lunch then have an afternoon game drive.

Day 4

Maasai Mara

After breakfast we have a full day game drive, with packed lunch provided. The reserve is well known for its black-maned lion, as well as its abundant resident wildlife and its one of the few places where it's possible to see the big five during a morning's game drive. Many of the cheetahs are so tame they seek shelter from the hot sun under one's vehicle and several even climb onto the roof to get better view of prospective prey. For the bird enthusiast, almost 500 species have been recorded: among these 16 species of eagle, plus many hawks and falcons, 6 species of vultures, 8 species of storks 4 of bustard (including the Kori bustard, the world's heaviest flying bird), and 9 species of sun birds.
